I/We certify that the information provided is true and correct. I/We agree to the following terms and conditions. Charges are due by the end of the month following initial charge date. After 30 days, any unpaid balance will be considered past due and will be billed a finance charge at the rate of 1/5% per month (18% annually). I/We waive the requirement of having an authorized person present when deliveries are made and agree to be responsible for such material. It is further agreed that this applicant and guarantee shall continue its liability notwithstanding any changes in organization or corporate setup, or partnership change unless such change is made by way of a new and approved credit application.

Dunphey Smith may do periodic credit investigation work to determine my credit worthiness after my account has been opened.
